

Stepping On

FALLS PREVENTION

Stepping On is a well researched falls prevention program. The results were published in the September 2004 issue of the American Geriatrics Society.

WHAT YOU WILL LEARN

The Stepping On workshop meets for two hours a week for seven weeks.

Topics include:

- Simple and fun balance and strength training
- The role vision plays in keeping your balance.
- How medication can contribute to falls.
- Ways to stay safe when out and about in your community.
- What to look for in safe footwear.
- How to check your home for safety.

"When I'm walking I still think, 'lift your feet, walk heel-toe.' I have stopped falling outside! It has made me more aware of the way I walk."

Grace

"It's made me more aware, just so much more aware. Of the buses, of my place. Of making it brighter inside, getting rid of leaves outside, of everything."

Roleena

"I've had some near falls but you have a quicker recovery and your muscles don't collapse."
